

## **My Dream And Vision As A Dentist, And What It Could Mean To You!**

I am a dentist with over thirty quality years of professional experience, continuing education, expertise and skill...

### **And long ago, I created a vision of my ideal dental practice...**

Then, entirely through "word of mouth advertising" from my clients. And referrals from my medical colleagues...

### **My Dream and Vision Became A Reality...**

### **Far Exceeding Even My Highest Expectations!**

Our dental practice has attracted an abundance of people who want an exceptional and caring dentist and dental team!

People actually travel from all over the state of Washington...

And even from all over the United States to visit our office.

Our clients tell us that they come because of the astounding national reputation that we've earned over the last thirty years...

And because of our amazing expertise in aesthetic and restorative dentistry, as well as in general dentistry.

### **So, can you understand why I'm more passionate about my life's work than I've ever been?**

And I'm inviting you now to experience an entirely different level of dental care...

So much so, that your dental visits will truly never be the same!

### **Yes, I know that is a bold statement.**

Yet, here's why I can say it...and mean it...

## **We Have An "Extraordinary Dental Team" Just For You!**

I've carefully chosen and empowered my team with our clients foremost in my mind! Because...

**We are going to do our utmost to ensure that each time you visit us; you will leave actually looking forward to your next visit with us...**

Imagine that!

**So, I've chosen each team member, not just for their astounding expertise, but also for being the caring professional that I would send my loved ones to!**

By the way, one reason that I have the testimonials from so many clients in this site is to let you know that our caring shows up not only in our words, but even more so in who we are and in what we do for you!

## **We Invest Ourselves In Your Total Health and Well-Being!**

To do this, we spend generous time with you! Time invested in you to listen and to discover your unique needs and desires. You see, we are absolutely passionate about helping you be the healthiest you have ever been in your life...physically, mentally, emotionally and spiritually.

Just so you know, we believe that each area of life-- physical, mental, emotional and spiritual-- are interconnected-- and each area affects all the other areas.

**That is why a significant part of our professional practice is designed to educate, coach and inspire you to greater total health.**

For instance, **we only see one client at a time!** This way we can give you our undivided attention and care. You will be delighted and surprised at the generous amount of time and attention we give you!

We also have a lending library of the best books and tapes that we have discovered regarding health, wellness, personal development and professional development!

## **We Are Leaders In Our Industry!**

That is one reason we get so many consistent referrals from other health professionals and from our clients.

**You can count on us having the newest and latest innovations in the dental field-- if it is of any benefit to you, our client. Period.**

This is profoundly important for you, because **dentistry has changed dramatically over the years!** We are passionate and committed students of dentistry and overall health and wellness. We stay on top of the most innovative and new technologies that will benefit you.

And we go way beyond technology--as important as that is!

We are serious students when it comes to successful communication and to building and nurturing relationships. We believe that **we can listen and communicate on levels that most dental professionals are not even aware is possible.**

## **We Can Now Safely And Comfortably Give You The Smile You Dream Of... In Ways That Were Unheard Of Before!**

The fact is that we are going to do everything within our power to ensure that your visit with us is the best experience you have ever had in a dental office. So, naturally, every detail counts! From the first time you call us, to how you are greeted and treated in our beautiful office, to the many ways we can make you more comfortable than you could imagine...For instance...

With homeopathic remedies, pillows, filtered water, organic snacks, hot and moist aromatherapy... and...there is more! How about...

### **A facial massage by our licensed massage therapist (Free!)...**

As we think about it, the number of ways we make you comfortable and feel special seems almost endless!

You see, one reason that so many health professionals and clients endorse me is that I focus my thirty years of expertise to give you **the most attractive solutions** to your dental needs and desires.

### **And Because Of Our Aesthetic Dentistry Expertise, Now You Can Have...**

#### **The Smile Of Your Dreams!**

The bottom line is this: very few things are as rewarding to me as seeing our successful work give you more reasons than ever to break out into a beautiful smile!

#### **Call Us Today!**
